2020-2021 Academic Year**

A student who wishes to enroll for a limited number of graduate level courses in Arts and Sciences is permitted to do so by registration through the Graduate School. Permission for a student to register as Graduate Unclassified does not constitute admission to the Graduate School nor does it guarantee subsequent admission into a degree program. Information on unclassified registration and also on SNCD (Student Not Candidate for a Degree) admission can be found in the Bulletin of the Graduate School.

Tuition for the 2020-2021 academic year is \$2,346 per unit.

To apply for unclassified status, return the completed form to Angela Wilson, Associate Dean (angela.wilson@wustl.edu).

Prospective Unclassified Students must contact the course instructor and obtain permission to enroll in the course. The course instructor should either sign the hard copy of the form or e-mail approval for the registration to the e-mail address above. The form should be returned to the Graduate School Office for final approval and registration.

Washington University supports a 100% paperless billing environment with instant online access through the student's WebSTAC account. Tuition and fees will be billed by E-bill and are due in full by the stated due date on the statements. If you wish to pay in person, proceed to Student Financial Services located on the lower level of North Brookings Hall. Whether tuition bills are paid online or in person, credit cards are not accepted. If your tuition will be paid by your employer or another third party please see Student Accounting for further instructions. If third party tuition payment is not received by the University, the student is responsible for all tuition charges.

Persons who are not United States citizens or permanent residents will not ordinarily be allowed to register as an Unclassified Student.

Permission to take over 6 units of graduate credit within one department requires meeting with a representative in the Graduate School Office and also the approval of that department's Director of Graduate Studies.

The unclassified student is not eligible for student services or for federal or institutional financial assistance of any kind.
